

THE TABLE STATION

WHAT'S NEW AT THE TABLE STATION

We are thrilled to announce our partnership with HTS Hocker, the prestigious global marquee provider based in Germany. This exciting collaboration into marquee hire brings us closer to realising our vision of creating beautiful and innovative events. As part of this new venture, we are delighted to introduce our affiliated company - The Marquee Station, where extraordinary events come to life.

THE
MARQUEE
STATION

2.4M OR 3M SIDE WALLS

Standard marquees come with a sidewall height of 2.4 meters. Our customisable 'Feathertop' range has a taller sidewall height of 3 meters. Additional height allows for jaw dropping, innovative lighting & floral installations. We'll just let your imagination run wild.

PRICING

Our marquees are available in both 6 and 10 meter widths. Length is extended in 3 meter bays. Our quote friendly price structure includes a choice between clear or white PVC for the roof, walls, and gables, with no additional charges. You are able to mix and match these options according to your preferences.

PIECE OF MIND

We're fortunate to have our very own in-house qualified builder, Daniel (aka. The Table Whisperer), to oversee all elements of construction including site assessment, preparation and structure assembly. No corners are cut with health and safety our number one priority, backed with \$20 million public liability insurance.

INTEGRATED FLOORING

Steel frame timber floors are the gold standard for safe and level marquee flooring options due to their stability, durability, and impressive appearance. The floor is slightly raised, ensuring your guests feet stay dry regardless of the weather.

TERMS & CONDITIONS

JULY 23 - DEC 23

The hirer agrees to the following terms and conditions set by The Marquee Station upon their physical and/or digital signature. Bookings are only classified as confirmed once the 50% deposit is paid.

Please read the following terms and conditions carefully before proceeding with your booking:

Site inspection, delivery and installation: Delivery and installation quotes are subject to a site inspection, if deemed necessary, and may vary should the conditions not accurately reflect those communicated by the hirer at the time of quoting. Should conditions or access at the time of delivery not reflect the previously undertaken site inspection additional charges may apply.

Deposits, payments and cancellations:

- All conditions apply even when unforeseen events occur including, but not limited to, government imposed social restrictions
- A non-refundable deposit payment of 50% is required to secure your booking.
- Full payment is required a minimum of 14 days prior to the event date.
- Cancellation within 14 days of the event will not be eligible for a refund.
- A change of venue will not be unreasonably refused but is subject to additional site inspection, delivery and installation charges.
- A change of date may not be possible due to future bookings but will be accommodated with advanced notice and subject to availability.

Order Finalisation: Orders must be finalised at least 3 days prior to the scheduled event.

Extreme Weather Conditions and High Winds: In the event that wind speeds and/or gusts reach 60km/hr all walls and entrances must be secured closed. In the event that wind speeds and/or gusts reach 80km/hr all persons must evacuate the marquee, and all walls and entrances must be secured closed. In cases where weather conditions pose a safety risk we reserve the right to take down the structure to ensure the safety of the hirer, our staff, equipment and neighbouring properties.

Pegging Responsibility: If the client allows the marquee to be pegged into the ground, they assume liability for any damage caused to underground pipes or utilities. Ground stakes require a minimum depth of 900mm below ground. It is the client's responsibility to indicate the location of such services. If the client is unsure of the service locations, it is recommended to opt for weighting the marquee instead.

No Paper-Based Decorations and Sticky Tapes: The use of paper-based decorations and sticky tapes, including party poppers, on or inside of the marquee is prohibited. Such items have the potential to stain the marquee covers. The hirer will be liable for cleaning costs and/or full replacement costs of damage resulting from the use of any decorations.

Smoking, Open Fires, Lighting and Heat Sources: Smoking and open fires are strictly prohibited within, or in close proximity to the marquee. Smoke, fire and candles can cause damage to the marquee structure. Lighting must be installed in a manner that prevents damage to the PVC walls and ceilings due to the heat they produce. The hirer will be liable for full replacement costs of damage resulting from smoke and fire, and the use of any heat source including lighting.

Damages and Losses:

- The Hirer is liable for all repair and replacement costs to hired equipment whilst in their possession, excluding normal wear and tear.
- The Hirer is liable for all replacement costs due to loss of equipment whilst in their possession.

Health and Safety: The client is responsible for ensuring the safety of their guests and complying with all relevant health and safety regulations during the event. The Marquee Station reserves the right to suspend or halt the event if safety concerns arise.

Indemnification: The client agrees to indemnify The Marquee Station for any claims, liabilities, damages, losses or expenses arising from the use of their services or equipment.

Force Majeure: Neither party shall be held liable for any failure or delay in performing their obligations under the agreement if it is caused by circumstances beyond their reasonable control, including but not limited to acts of nature, government restrictions, or power outages.

By proceeding with your booking, you acknowledge that you have read, understood, and agreed to the above terms and conditions. If you have any questions or require further clarification, please do not hesitate to contact us.

Thank you for choosing The Marquee Station.
